Re New York airtel to the Bureau, 8/19/70, and  
accompanying LHM, copies of which were furnished to all offices.

Enclosed to the Bureau and New York is a list of  
Air Force prisoners of war or Air Force personnel missing in  
action. Enclosed for other offices are pertinent pages from  
this list pertaining to their locations.

On 8/26/70, *b7c* [redacted] U.S. Air Force,  
Chief of Missing Persons Branch, Casualty Division, Directorate  
of Personnel Services, U.S. Air Force Military Personnel  
Center, Randolph Air Force Base, Texas, advised SA *b7c* [redacted]  
as follows:

*b7c*  
Due to numerous inquiries made by Senators and  
Congressmen and other Governmental agencies pertaining to  
prisoners of war, Hqs of [redacted] prepared an alphabetical list by  
name and state of Air Force personnel who are prisoners of war  
or who are missing in action and their next of kin. The  
original purpose of [redacted] was to answer numerous inquiries  
received from Congressmen and Senators.

*b7c*  
This list is current as of 8/26/70. However, the  
list only included approximately 50 percent of Air Force  
personnel who are prisoners of war or who are missing in action  
along with the names and addresses of next of kin. The  
fact that some next of kin or Air Force personnel did not

their names and addresses furnished to Congressional sources as they did not want to jeopardize in any way the safety of their husband and/or son who may be a prisoner of war.

As indicated above, the complete list is being furnished the Bureau and New York. The names are not being indexed by San Antonio. It is suggested that offices utilize this list for lead purposes.

It should be borne in mind that the possibility exists that some of the persons listed may be relatives who do not desire to become involved in this matter.

The abbreviation "MIA" means missing in action, and "PW" means prisoner of war.

As pointed out above, San Antonio suggests that offices use the enclosures for lead material so that additional inquiries will not have to be made by San Antonio of the Personnel Center at Randolph AFB, Texas.

Offices should comply with instructions set forth in referenced New York airtel to the Bureau.

New York will note that this list contains one address in the Canal Zone. It is being left to New York's discretion whether or not a lead should be set forth to have this person interviewed.
